Dear Mr. Manley:

I received your letter some time ago, but I did not rush to answer because Dr. Adams answered it. I have been waiting for your reply to his letter. I shall be very glad for an immediate reply from you.

The parks are in perfect condition. Brooklyn Dodgers started their training here yesterday. The park will be available on the 10th of April. The Dodgers have a wonderful schedule.

I have some letters from Jimmy Ferreira, Syd Pelleck, and others asking to schedule games.

Satisfactory accommodations are made for room and board. Hoping for an immediate reply from you.

Yours very truly,
